To the long list of Alan Partridge's Irish clichés ("buck-toothed simpletons with eyebrows on their cheeks, horses running through council estates, men in platform shoes being arrested for bombings") he could have added "flame haired nymphomaniacs who can drink you under the table". Here's one: Irish-born Londoner Tanya. What else is there to say but: A-haa!

Swap till you drop

We were recently contacted by two old friends of ours, Jack and Brenda, who were visiting our region.

My husband Dave decided to surprise them by booking a room in their Travelodge.

We met up in July for a meal. It was great to see them. Brenda looked as trim as ever, with her neat little figure, dark hair and dark eyes.

Looking at her reminded me of the last sexy lesbian session we'd put on for the boys. I guessed Dave was hoping for a repeat session. But I had other ideas.

We had a few drinks and got turned-on discussing our previous photo shoots.

We had all been flirting and when Dave made his surprise announcement that he'd booked a room, everyone's face lit up and Brenda gave Dave a big hug.

I then said that I had a great idea. We had partner-

As I started playing with him, he did the same to me, and so I went down on him, seeing if he'd suck me too. He did, as I gave his cock and balls a bit of treatment,

against him so he could fondle my tits as he finally blasted both balls full of spunk up my pussy.

He had this really wholesome look about him - he

He blasted both balls up my pussy

but then he put his hands on my arse, hinting that I should slide down his body. And that's just what I did, straddling his prick on the way down.

He started playing with my arse, spitting on two fingers and poking them inside me. I couldn't help giggling - just the thought of us being walked in on while we fucked was bad enough.

But doing it like this was something else. The bed was a bit squeaky, so we had to take it slow and easy, but the longer he strung it out the more I came, and I leaned right back

totally charmed my mother. Which was a cover-up for what a dirty sod he really was.

Maria, South Wales.

Parent hood

Still living with my parents can make sex with boys awkward. I pulled a lad called Martin last week.

Too bad my folks were up - we went in, acted polite, and went to our separate rooms.

I did what I could with my fingers, but about an hour after Mum and Dad went to bed, I snuck out of my room. If they heard anything at all they'd just think I was off to the loo, but I went into Martin's room and let my robe drop off me.

I got into bed, putting my hand over his mouth to shush him, as he woke up. Then my hand went straight for his cock, and he was already hard for me.

I revealed my crotchless knickers and stockings

swapped together before but why not take each other's partners to each other's room? Dave was taken aback, but Brenda was very turned-on by the idea and trundled Dave upstairs before Jack and I had finished our drinks.

Jack and I followed them shortly. We had hardly got inside the room than he was snogging me passionately, mumbling, "I've waited ages for this," as he fumbled with my blouse.

My nipples were already hard by the time Jack fastened his lips round them through my peephole bra.

I stepped out of my skirt to reveal my crotchless knickers and stockings.

Jack powered me roughly up against the wall and his cock popped out of his trousers like a rampant ram.

I guided it between my legs and slid it up my eager, hot pussy.

Still in my high heels and undies, Jack grunted as he banged me up against the wall so hard I thought I might go through.

His shirt was soaked with sweat as he mercilessly pumped my shaft. He lifted my legs round his waist while he shot his hot semen deep into my hole.

We were still only in the doorway! I led Jack to the bed and tongued his sticky shaft till he was as hard as ever.

Jack's face was a picture as I licked him from just under his balls, tickling his anus with my tongue, to the tip of his shiny purple glans, now leaking pre-cum again.

I put my legs either side of his hips and once again fed his throbbing shaft into my soaking love tunnel.

Jack could hardly look at me as I ground my pubes

relentlessly on to his crotch.

I was now really rampant myself. Jack reached up and squeezed my engorged tits until I reached my climax.

I flooded his cock with my juices and he shot his load up my pussy again.

I collapsed on top of him and our hot wet bodies slowly recovered.

We were only awoken by Dave and Brenda in the morning. It seemed they had had an equally horny night!

Jacqui, West Yorks.

REAL WIFE SEX

Kirstie,
Cornwall

Suck in the middle with you! Lucky Eddie from Cornwall confesses to a craving for cunt cream...

Some blokes only go down in the hope that the girl will return the favour. I do it because I've been hooked on eating pussy ever since my first lick! I love the taste and feel, everything about it, and the juicier the pussy the better.

I don't just dive in, though – I'll take ages over kissing and playing with her tits, getting her so worked up she's desperate for anything inside her, even if it's just a finger at first. Then I'll just tease the outer folds, so her clit is throbbing ready to explode by the time I finally get around to sucking on it.

I stuck my tongue in to the root and fingered her nub

Some girls are so starved for a licking off their blokes that they don't know what's hit them when I give them the full treatment. One woman, Ellie, was just spread-eagled on my bed, using her fingers to pull her snatch as far open as it would stretch. She was already running wet, juicing down her arse-crack, and then I got stuck into licking her...

She was writhing and pretty much sobbing with pleasure as I stuck my tongue in to the root and fingered her nub. Then she started cumming, pulling my face into her crotch until I thought she'd smother me. Even when she was overloaded by sensation, shivering at every touch, she wouldn't let me pull away.

That was just a one-night stand – she went back to the other half who never bothered to taste her twat any more, though she let me snap a photo of it, which did quite nicely when I fancied a cheeky little wank!

Then, a couple of months later, I met Kirstie. That was meant to be a casual fuck as well, but she kept coming back for more and I was happy to oblige. I felt she was hiding something from me, which she was – a girlfriend called Suze!

They'd been together a couple of years and Suze tolerated Kirstie playing away with blokes. Then she started having feelings for me and said it wasn't so much my dick that turned her on as the fact I was the only person who'd ever come close to Suze in the pussy-

FLUTE JUICE!

munching stakes! Kind of a weird compliment but I took it the right way!

They had an honesty pact and Kirstie wanted me to meet Suze, so I went over to theirs. I felt nervous, like I desperately needed Suze's blessing or something, and got this vision that she'd be this big, scary dyke. Well, she wasn't someone you'd mess with, but she turned out to be really petite and a lot more "fem" than I expected.

The other thing they kept from me was that they wanted a threesome – of sorts. Suze didn't fuck blokes but she liked to watch straight porn and hear about the cock that Kirstie took, so now she wanted to see her first live fuck show!

There was something about her – nothing that would've made me ditch Kirstie,

but as my dick ploughed into Kirstie's cunt, I kept looking over at Suze. She was sat naked, playing with her snatch,

**This lezzie girl
was getting a
taste for spunk**

and when she shot me a sly smile, like I was approved, I felt my cock jump inside Kirstie.

She was moaning – then even louder as Suze came over and sucked on her tit, while I took the other one. That soon tipped her over the edge and got her cumming hard. Then her pussy

clenching even tighter round my shaft virtually pulled me off about a minute later.

I withdrew so Suze could see me spunk, but she told me to stick it back in Kirstie's hole. I spurted out the rest of it inside her, then moved aside. Quick as anything, Suze was crouched in between Kirstie's thighs. Another thing I didn't expect – a lezzie girl getting a thirst for cum.

Not enough to turn her on to shagging cock, sadly for me, even though I was up and ready in hardly any time. They switched over so that Suze was laid out on the covers with Kirstie's cute arse planted over her face. I'd actually call it

Fresh meat

I'm 40 and a divorced single mother. I don't get out much but, when my other half has the kids, I try to have a night out.

It doesn't have to be anything major – the other week I just went to see a film in town. And, at the bus stop, I got talking to a lad. I'd never met him before but recognised him as someone from

£120

His hand crept back on to my freshly spunk-sauced cunt

my local area.

We sat together on the way home, and he offered to walk me to my door, really polite. I said good night and he moved in for a kiss – a bit awkwardly, but it was sort of sweet. And when I kissed him back he soon relaxed into it.

It was ages since I'd had a proper full-on snog, but it still got me warm and wet in the same way it always had. I opened the door and asked him in, and we pretty much fell on each other.

When I got his trousers down and clocked his hard-on, my cool just melted away.

I got my hand on it and started wanking him gently – he felt like he might blow at any second. His tongue was deep in my mouth, playing up against mine, and I felt a strong pulse inside. Then he let out a groan and suddenly shot his load in my hand.

He looked a bit embarrassed so, to show him it didn't matter, I wiped his spunk all over my face and boobs, messing up what was left of my make-up, too. Then I said he could go down on me, till he got hard again.

He was a bit sloppy and

awkward, but he learned fast and anyway I'm very orgasmic, so any licking will get me there in the end!

I told him to tongue my clit and use his fingers in my hole. He penetrated it and I

got hold of his hand, pushing them in further and telling him to bend them slightly. Then I found my G-spot and the pleasure just ran right through me.

I lost control a bit, but that just made him step things up even more, seemingly a bit gobsmacked at the effect he was having on me! But he acted like it was the sexiest sight he'd ever seen, and his prick was rearing up, stiff as a rod – a thick, meat rod!

"Time you fucked me," I said, and shifted position then used my hand to help him inside. His tongue was back in my mouth, tasting all salty and musky, and when I told him to get shagging, he took it like an order!

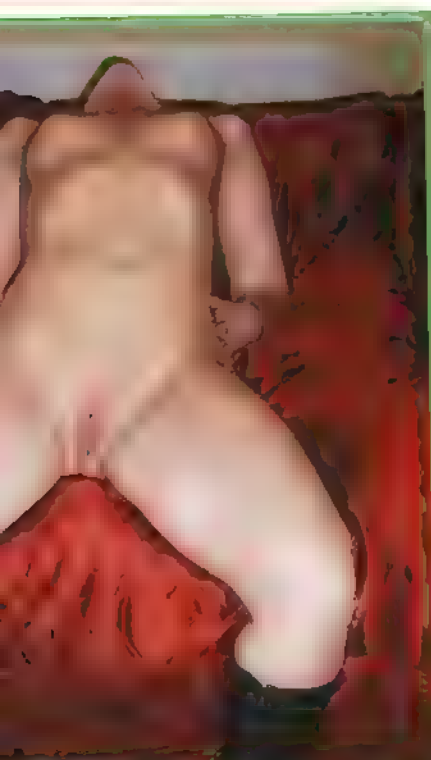

"Now suck my tits," I said and he did it instantly, mouth working on each one in turn till they were stiff as his prick.

Love him, he actually looked a bit panicked when I said I was cumming, like he didn't know what to do about it. But he just kept on thrusting and then I told him to stay deep inside me, so he could feel me orgasm round his cock.

"Your turn now," I said, like he needed telling, and three pushes later he was filling me full of spunk.

He fucked me ragged. All through the night, just when I thought he'd finally drop off after cumming, I'd feel his hand creep onto my freshly spunk-sauced cunt, and he'd soon be ready for yet another go too.

Wendy, Nottingham.

Health prick

Too bloody healthy for my own good, that's me. I never need to take a day off sick. But I like the idea

shutting like a clamshell, and juicing all over my hand, and my head will spin so much that I feel like I'm about to black out.

Most times I'll treat myself

Recently, I got some anal beads. Using them on their own didn't really do it for me, but I stuck them in my arsehole then jammed a big dildo up my snatch and that was it!

I used my fingers on my clit, then, as I started cumming, I grabbed the handle and slowly pulled the beads out, feeling them stretch my arsehole open, then let it tighten before stretching it again. I started screaming so loud I had to roll over and bury my face in the pillow, then as I dragged them out of my cunt I started to cum all over again.

I don't feel guilty skiving off work like this – when I'm there I graft really hard. And on the next day I go into work, I always get loads done, like I've had a rocket up my arse. Which, in a manner of speak-

ing, I usually have!

Sometimes, even the world's greatest fuck can't beat a wank. I've actually thought that, if I start seeing someone, we might take these days off together.

But with a rule that there's no fucking, just playing with ourselves. That could be very interesting!

Fiona, Aberdeen.

CONTACT ME

Drunk, I feel so dirty and decadent

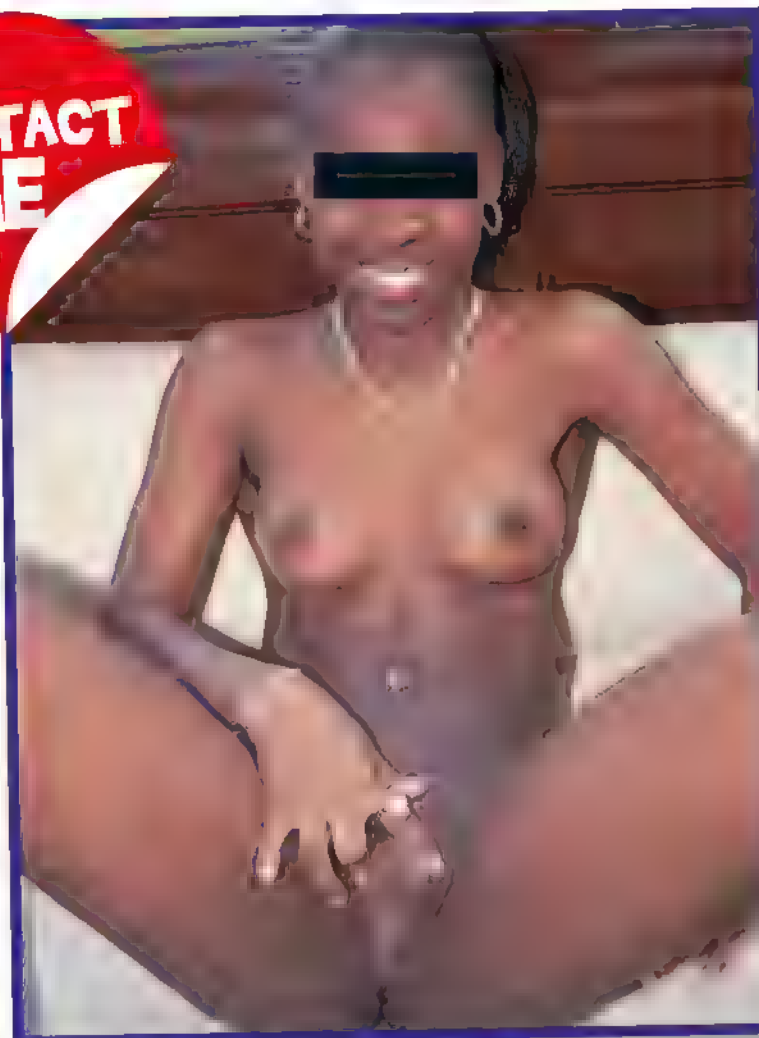

of "duvet days".

I have one two or three times a year – phones and email off, door locked and blinds pulled down like I'm not in. And then I just have a pussy-pleasing frenzy. I'll get a load of porn films and mags – either my own stash or whatever I can borrow or beg off mates – crack open my sex toys and just frig myself totally daft!

I always make a point of starting off with just my fingers – literally keeping my hand in. It takes longer, but I often find the orgasm's more intense – my cunt will be

to a whole bottle of champagne – no worries if it's the cheap stuff. I still feel really dirty and decadent lying on the bed, legs splayed, one hand raising the bottle for a swig, while the other is poking my pussy. I just think of all the poor mugs at the office, working their arses off, while I'm all tipsy and cumming.

Lunch will usually be bad-for-me stuff like chocolate – I need to keep my energy up – and then I'll really start playing with the sex toys. Sometimes I'll pick up something new, like a toy or bottle of lube, and save it for my day off.

ALISON, WALES.
44DD, 48 years old. Letters, p. 6. "My fantasy is to be spanked and shagged by another man while hubby watches!"

Hubby was away with the fairies when Alison (vol 31 no 9) hooked up with a reader

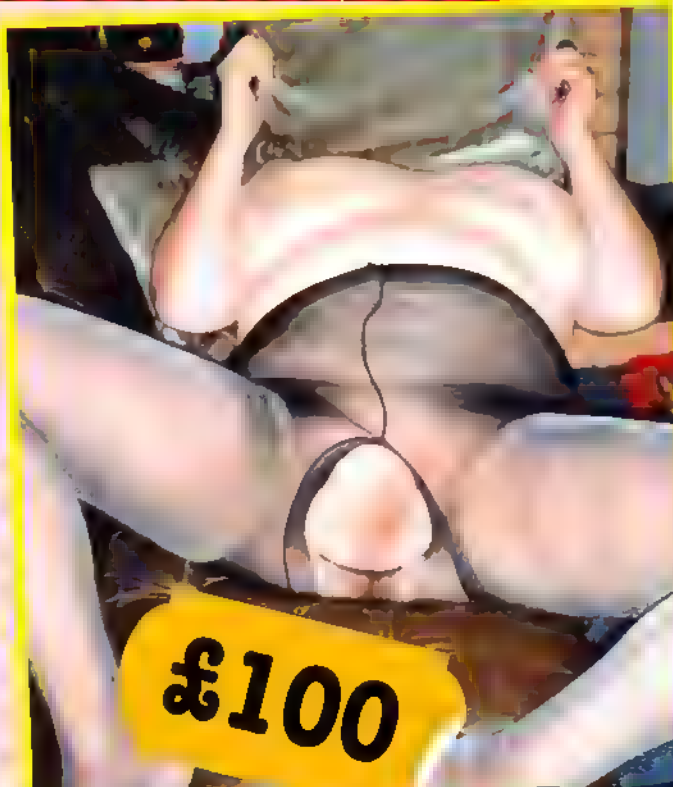

Dear Escort,
After appearing in vol 31 no 9 of *Escort* in the Contact section, I received lots of replies to my photographs and here is my story.

I chose one of the letters that I really liked the sound of to get in touch with and when I texted the number he'd given me, I got a reply straight away.

His name was "Max" and as he was married he had to be careful and so had given me a fake name.

He couldn't visit for a few weeks, but we kept in touch by texting. He told me that he liked surfing and that he had longish curly hair and a hairy chest, which I love! We'd also talk on the phone when we could, and he'd tell me he couldn't wait until the day he could finally come over.

That day finally arrived last week. I opened the front door to him and instantly thought: "Wow!" I was not disappointed at all. We wasted no time and went straight to the living room (luckily, hubby was asleep upstairs).

SLEEPING BOOTY!

As soon as I had closed the living room door he started to kiss me, at the same time pulling off my dressing gown so when he let me go it fell to the floor, revealing my leopard print underwear with hold-up stockings and high heeled black boots.

His eyes widened and he pulled me on to the sofa and started kissing me again but this time he started exploring my body, touching my big soft breasts and slipping his fingers in to my pants, making me very wet!

He sat back, indicating that it was my turn to explore him. I pulled off his jeans and shirt until he was just in his tight white boxers. I finally put my hand on his cock, feeling the huge hot bulge through the material.

I couldn't wait any longer, but I had to follow the treasure map he had made me as a bit of fun. It started with two kisses on the face, followed by ten kisses on the chest, then lots of kisses and licks down the legs, before finally working my way slowly

back up to his "treasure".

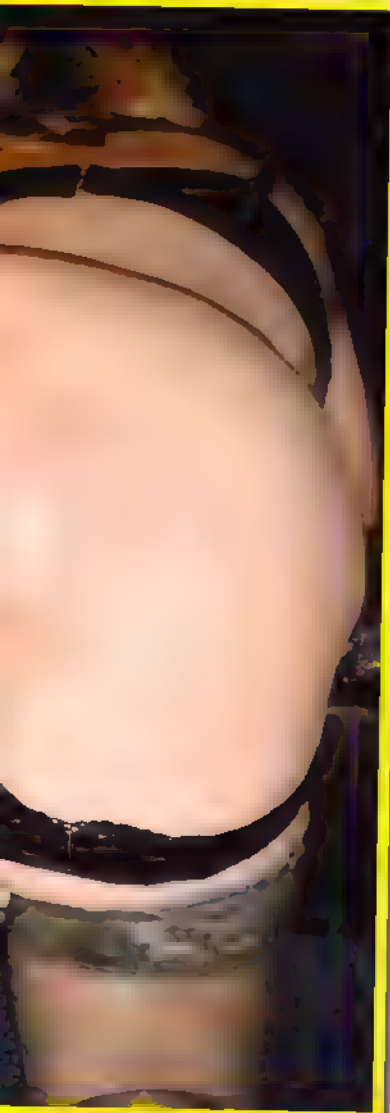

As soon as I got there I pulled down his boxers with my teeth. I took his cock in my hand and slowly wanked him while I sucked his balls and gently fingered around his bottom. This really surprised him and he nearly came there and then!

I took him in my mouth and slowly sucked him until he came and I swallowed every drop.

Then it was my turn. He got me naked, but left my stockings and boots on and spread my legs as wide as they would go. Licking me out like an expert, I came about four times and I was soaking wet.

By now he was rock hard again and flipped me over so I was on all fours and fucked me so hard I had to bite my

lip to stop me crying out loud, which would wake up my husband. He knew about mine and Max's meeting, but works nights and wouldn't appreciate being woken up!

Max carried on fucking me until he made me cum all over his cock, before finally shooting his hot, sticky creamy cum right up inside me.

We both fell on the floor exhausted, lying there for a few moments until the naughty boy got all excited again. He pulled me on top of him so that I could ride him hard with my boobs bouncing in his face until we both exploded once more

Since then, we have kept in touch and are making big plans for his return. He told me it was the best, sexiest day of his life and can't stop thinking about it. I have to agree because I fantasise about it all the time!

I hope you enjoy these latest photos my hubby has taken. Hopefully you'll all like what you see and will get in touch so I can have many more experiences like I did with "Max".

Alison, Wales

REAL WIFE SEX

Eddie's story continued from page 19

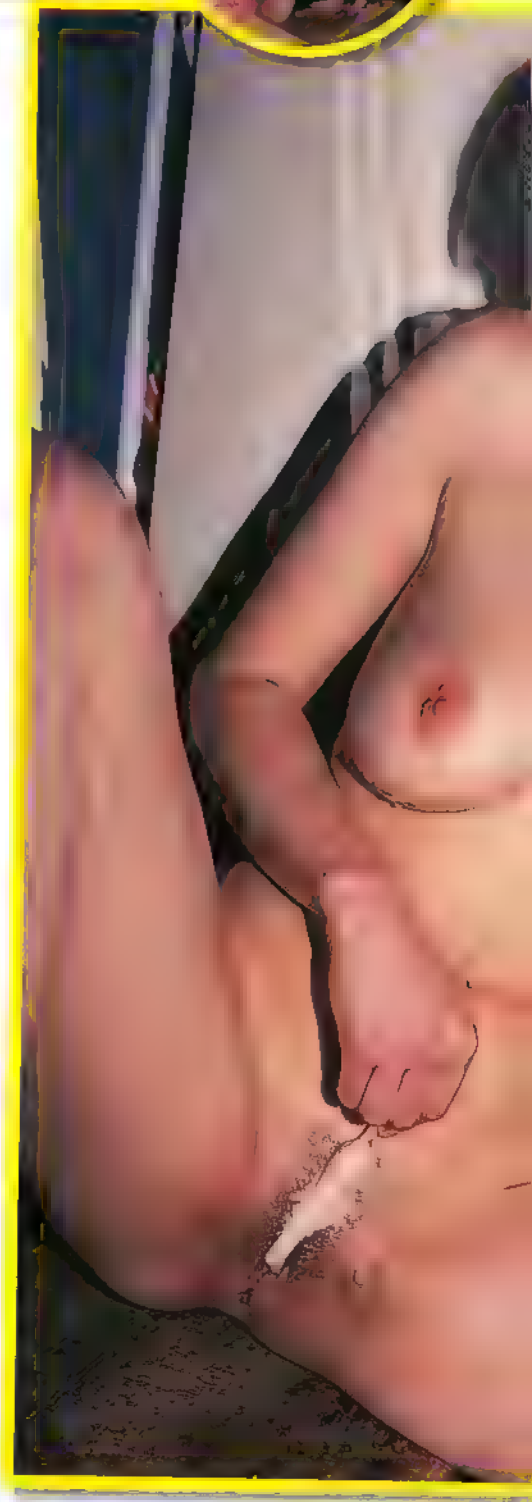

torment, seeing Suze's pussy all wet and ripe for a screwing, and knowing it was forbidden. But Kirstie soon snapped me out of it.

Kirstie was too caught up in licking snatch

She had me straddle Suze's body – Suze squirmed a bit as my balls dragged over her belly, but she didn't protest.

Then Kirstie snogged me and I groped her boobs as her hand found my hard cock.

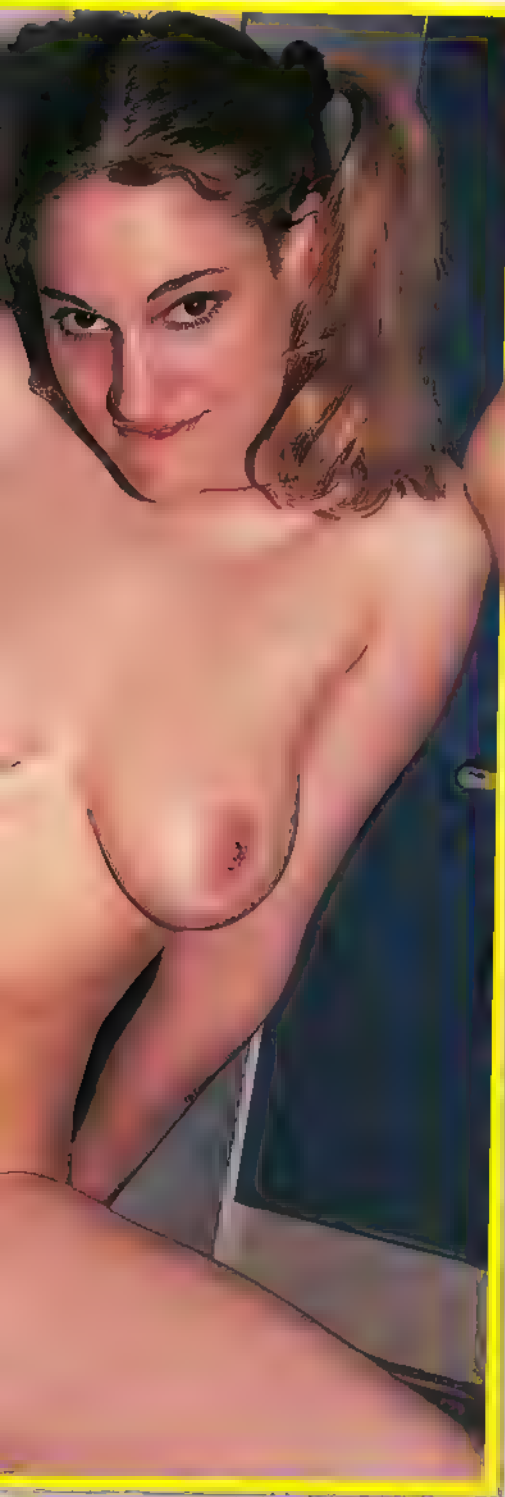

Calling it a consolation wank would be selling it short – I just went with it, let Kirstie toss me almost all the way off. I wasn't sure where it was leading but she kept on, even when I moaned I was cumming. Seconds later I shot my load all over Suze's tits – and Suze didn't seem to mind that either, maybe cause she was so caught up in licking the snatch over her face. I saw what Kirstie meant now – Suze and I shared a real love of licking!

That was me finished for a while, and Suze stared a bit blankly at my jizz when Kirstie got off her face, like she'd suddenly remembered she was a dyke, so what was she doing with spunky tits? Even though she'd been happy to lick some out of Kirstie earlier. But when Kirstie started to play with it she decided she liked it again. She wasn't stacked enough to eat it off her own boobs, so she let Kirstie "snowball" her a mouthful with a kiss.

Next time I saw Kirstie was at my

place. I said I'd liked Suze – the feeling had been mutual apparently – but I'd felt a bit left out of the licking. She said her pussy was all mine, all night, and kicked off by straddling my face in a sixty-nine. I should add that she's

phenomenal at sucking cock, but even if she hadn't touched it, the feel and flavour of her musky-wet snatch would have had me jizzing all by itself... ☺

ZOE + CANDY

"I don't know what convinced us to put on this sexy dildo show for our boyfriends – probably all that Smirnoff Ice we were drinking – but it definitely worked!" giggles blonde shop assistant Candy. "We fucked each other with dildos and got our holes good and wet for our fellas. They were both pissed and we thought they'd be good for nothing, but they poked us all the way through the night and up to opening time at the local pub!"

Gaydar jammer

Bella didn't instantly set my "gaydar" off when we met in a bar, but she must have picked up on me being a dyke because she was making all the moves.

Her single bed wasn't that big, but we made the most of the space! She stripped me off then got naked herself, before straddling my body. Even then I was a bit slow, so she grabbed my hands, putting them on her tits. Her boobs were small but felt so firm, her rock-hard nipples digging into my palms.

I played with them for a bit then sucked on them, finding her so sensitive. My

mouth got her twitching and she banged her open twat against my belly.

I let her take the lead and

to grind right down so I could eat her deep. She was so wet and juicy I was having to gulp, or close my mouth and let

The juices collected at her opening

she wanted to sixty-nine. She turned herself around, then slithered backwards, settling her snatch over my mouth as her own tongue licked in between my thighs.

I saw the juices collect at her opening, so I gave her a couple of licks, getting her

them soak my lips and face instead, and my snatch was swelling up from her licking my clit and fingering my pussy.

Now I fingered her pussy hole, in right down to the knuckle. Then I pulled my digits out and walked them up her crack to her arse. I

Happy snappers

My other half, Jenny, and I love taking dirty photos – when our camera broke down and

wouldn't upload our most recent shag snaps, she went back to the shop, hell-bent on giving the manager a piece of her mind.

Until she saw him, that is! He was this really good-looking black guy called Jonas!

She handed him the card, nice as fuck – ing pie, and after taking a look himself, he called for another bloke, David, who could have been his brother.

David had no joy retrieving our pictures, but said the card seemed fine. As I had my camera, he suggested testing it by taking a few snaps.

Jenny volunteered to pose for a pic or two – with Jonas!

He tried to stay professional, then David burst out laughing and so Jonas grabbed her in a clinch. They started snogging and, as she unbuttoned his shirt, she pulled away from his mouth and called David over as well.

Soon Jenny had Jonas naked. She stuck a finger in her pussy to give him a taste, and right after that he got down to eat her out. As soon as his tongue found her clit she grabbed the back of his head and started bucking her cunt in his face.

She came once,

His dark length slid up her wet hole

then again, and told Jonas to stand up so she could give him a sucking. He was rock-hard now, and David was in the same state. My dick was

straining but I just wanted to keep snapping, so Jenny could enjoy this moment over and again! I zoomed in on her face, eyes shut in ecstasy

**Jenny,
Sussex**

teased around it, letting her know what I wanted to do, all the while giving her clit some rub with my other hand. Then I slipped them into her bum, causing her to moan in ecstasy.

I was frigging her with two hands, driving her mad, that beautiful bum wiggling all over the place. Sometimes it was like she was trying to pull free, but I just dipped in even deeper then.

I finished her off when I put my mouth back on her clit,

and used those fingers in her pussy. She stiffened, then shivered through her entire body as she came hard in both holes.

Now she just lay there, mouth pressed up against my slit – just her breath on my clitoris kept me on the boil, especially when I matched the pace of my own breathing to hers. Then she fingered me, just in my pussy but really deep, and I started cumming as she licked my clit.

Dawn, Essex.

Fare cop-off

My husband was gagging to get me home so I picked up a cab from the airport – with a woman driver.

Bridget was a chilled and earthy person, and we got chatting so easily she pulled over and asked if I wanted to sit up front and keep her company.

She said that while she earned good money working

when she touched my tits, I let out a little moan, so she carried on.

I'd put on new sexy undies as a surprise for my man, and she loved them, rubbing them up against my clit before taking them off me, opening my cunt and burying her face between my thighs.

Bridget was so into eating me – my other half loves a mouthful of pussy, but nothing like Bridget – she was just greedy for it. I get so

**Marina,
Surrey**

Her cunt licking had got me so horny

nights, her sex life was non-existent. I said that it wasn't so bad for me – my other half would be all over me like a rash tonight.

I was getting moist thinking about what I was going to do with his cock that night, and she read that as a come-on.

I let her peck me on the mouth and when she slipped me some tongue, I opened my lips to take it. I knew deep down I wasn't a lesbian, but I was feeling turned on, so,

wet when I'm cumming, and anything she couldn't swallow she was just rubbing all over herself. Next thing I knew, my head went weird, then my pussy clenched hard before cumming around Bridget's tongue.

Too bad my hubby rang – I told Bridget I had to dash – truth was her licking had made me desperate for his cock – but not before I'd got her details.

Marina, Surrey.

as she gobbled half of Jonas's thick length. Then her mouth puckered even tighter around it as David fed his thick, dark length up her wet hole.

She kept moaning and slurping on Jonas's dick even as she was cumming. Then he pulled out of her mouth – she opened it wide – and wanked himself off over her face, pumping globs of cum all over it.

I got one shot of his tip resting on it, before she gave him a final suck clean.

David stayed inside

her while he came, and I snapped him pulling out, the pearly jizz gushing out of her. Then they had another go, this time Jenny deep-throating David as Jonas pumped and ground balls-deep inside her.

It's hard to say exactly when she came – it was like one long orgasm that never stopped – and they both shot inside her this time, Jonas slamming in deep, and David streaming down her throat.

The pics were brilliant!

Will, Sussex.
